NET WT 6.6 oz / 187 g

TimeMist Super Odor Neutralizer is a scientifically developed, true deodorant with the unique ability to neutralize offensive odors through chemical reaction. Not a mask, it leaves the air smelling fresh, without CFCs or ozone-depleting substances.

The dispenser activates the special metered valve at a predetermined interval, releasing a measured amount of Super Odor Neutralizer which remains suspended in the air insuring a fresh atmosphere. Each automatic release of Super Odor Neutralizer renews the pleasant fragrance. Only one dispenser is needed for a room up to 30' x 20' x 10'.

TimeMist Super Odor Neutralizer offers a wide spectrum of applications including, but not limited to, restrooms, convalescent homes, hospitals, clinics, doctors' and dentists' offices, hotels, motels, retail stores, and kitchens.
